

Cal/EPA EJ Implementation

Malinda Y. Dumisani
Office of the Secretary
Cal/EPA

Two – Pathway Approach

- Long Term Strategic Planning Process
- Short Term Action Oriented Process

Long-term Strategic Process: Cal/EPA Intra-agency EJ Strategy

To identify and address any gaps in existing programs, policies, or activities that may impede the achievement of environmental justice.

[Public Resources Code 71113]

Short Term Action Oriented Process: Cal/EPA EJ Action Plan

4 Environmental Justice Priorities:

- Precautionary Approaches
- Cumulative Impacts
- Community-Capacity Building
- Public Participation

Cal/EPA EJ Action Plan:

- Develop Guidance for Cumulative Impacts
- Develop Guidance for Precautionary Approaches

Cal/EPA EJ Action Plan

- ☑ Develop common working definition
 - ➔ Inventory current activities, data, information at Cal/EPA
 - ➔ Explore Cumulative Impacts and Precautionary Approaches
- ☐ Develop CIPA Guidance
